

Primary Sports & PE Funding 2023 – 2024

At Kingsmead Primary School, we are strongly committed to PE and recognise the contribution of PE to the health and wellbeing of the children. Additionally, we believe that an innovative, varied and immersive PE curriculum has a positive influence on concentration, attitude and academic achievement. Our commitment to these opportunities is evident in the wide array of sporting activities that we offer both in and out of school. Our Sports Premium Funding will help us to continue to provide this provision and ensure that we have professionals that specialise in the areas on offer.

Purpose of the Funding

Schools are required to spend the sport funding on improving their provision of PE and Sport, but they have the freedom to choose how they do this.

Objectives for PPSG spend:

Key indicator 1: To improve the provision of PE and Games at Kingsmead.

Key indicator 2: To broaden the sporting opportunities for pupils at Kingsmead.

Key indicator 3: To develop a love for sport and competition through participation in competitive sporting events.

Key indicator 4: To target and develop children who do not have the opportunity to take part in sporting activities outside of school.

Key indicator 5: To increase physical activity and encourage a healthy life style.

Impact

The school will measure the impact of the sports fund grant spending at the end of 2022 – 2023 through pupil interviews, evaluations completed by the PE Lead, specialist PE teachers, and analysis of attendance at clubs / activities and percentage increase in attendance at sporting events.

Deployment

The following costs are not exact but a near estimate at the time of calculations.

Sports & PE Funding 2023 – 2024

Number of pupils and sports funding rewarded				
Total number of pupils on roll eligible for Sports & PE Funding		175		
Total amount received		£17,759		
Carry forward from 2022 - 2023		£0		
Amount received per pupil		£101.48		
Total amount spent		£34,971		
Expenditure – How Kingsmead will use the funding	Cost	Objective	Success Criteria	Impact (July 2024)

PE lessons are of a high quality Teachers feel confident in planning PE lessons and supporting children	Trainee teachers received subject specific training and observed a number of high-quality PE lesson. They completed assignments as part of their training and with support they planned

			<p>An improvement in health, fitness</p> <p>Increase participation of children in competitive sports</p> <p>KI 1,5</p>	<p>and taught PE lesson of a high quality as observed by their tutor.</p> <p>Early career and newly qualified teachers taught engaging PE lessons that supported children's skills and improved their health and fitness. This was evidenced during learning walks and lesson observations carried out by members of SLT</p> <p>Children from year 5 and 6 competed in an interschool table tennis competition which they enjoyed and did well in. Both the girls' and boys' football teams took part in football competitions during the autumn and spring terms and the girls team came 4th</p>
<p>Specialist dance teacher for Drumming & Dance</p> <p>Reception class to have dance all year round from next academic year to develop memory and skills.</p>	£10,800	<p>To provide high quality dance and drumming lessons that develop skills and allow for progression.</p> <p>Encourage more SEND children to have an interest in dance</p> <p>To provide the opportunity for a wide range of age (including KS1) to be challenged and join the Dynamix group</p> <p>To participate in competitive Borough events</p>	<p>Progression evident in performances and confidence when performing to an audience</p> <p>SEND children enjoy dance and choose to take part in after-school club</p> <p>Dynamix group to involve children in years other than Years 5 and 6</p> <p>Dynamix group have competed in Hackney Dance competition</p> <p>KI 2,3,4</p>	<p>Children who participate in the Dynamix challenge group have clearly been extended in their learning and progression evident during end of term performances. Reception children were also able to perform confidently in front of the whole school and parents during a Dance End of Year show.</p> <p>A group of 9 SEND children from Reception up to years 4,5 and 6 have chosen to participate in the dance afterschool dance club and show enthusiasm and skills</p> <p>There are currently children from years 3 and 4 in the Dynamix group that have performed outside of school for a number of events as well as in front of the whole school and parents.</p>
Weekly cycle training for Y3, Y4, Y5, Y6	£5,369	<p>To ensure cycling proficiency and develop sustainable life-skills for the future</p> <p>To increase the number of children able to compete in cycling competitions</p>	<p>Children are confident at cycling to and from school</p> <p>Children feel ready and confident to compete in cycling competitions</p>	<p>More children are coming to school by bike across all age ranges as evidenced in the bike shed at the beginning of the day. There is an addition of the use of scooters and the after-school cycle club has been over-subscribed.</p>

			KI 1, 2,3, 5	Children have taken part in group cycling activities outside of school, including static-bike competitions and a Hackney wide cycling event
Weekly swimming sessions in Key Stage 2 + transport Intensive swimming blocks for year 6 after SATs	£1,845 £1575	To improve children's skills and swimming ability Year 6 children reach a high level of confidence and proficiency in swimming ready to progress to KS3	Increased number of children making progress towards being able to swim 25 metres at the end of KS2 KI 2, 5	89% of year 6 children say that they feel confident getting into water and have enjoyed their swimming lessons. 60% of year 6 children say that they can swim at least 10m with 70% of those being able to swim 25m or more as recorded during lessons by swimming instructions
Purchase high quality materials and equipment (spare PE kits for competitions and PE lessons, swimming related items such as towels, hats and swimming costumes)	£3068	To support learning in established outdoor sporting activities To establish new sporting activities e.g. basketball and table tennis To ensure no child is prevented from participation in any sport due to a lack of equipment (e.g. swimming costume, towels etc)	A diverse range of sports being taught across key stages Full engagement in PE lessons from all pupils A diverse range of sports related after school clubs KI 1, 5	A range of swimming equipment was bought and provided to those children who needed a swimming kit e.g. an increased number of swimming hats, towels and goggles. This meant that all children took part in swimming lessons, increasing their confidence and enjoyment. Four additional table-tennis tables have been purchased which have meant that more children can play at once and allowed them to practice in readiness for the competition. New bats and balls have made it more attractive to younger children who see it as an exciting KS2 activity they want to participate in.
Before and After-school sports provision -Equipment and specialist teachers provided for a wide range of sports & games, offered to all age ranges before and after school Lunch-time Gymnastics provision	£4500 £1350	Continue to provide a wide range of successful after-school sports activities reaching over 200 children across the school. Provide a range of enrichment activities after school for a minimum charge to families. Promote sports and fitness at lunchtimes through targeted specialist sports clubs	A wide range of sports & games after-school clubs offered to all age ranges Families to feel supported and More children consistently accessing free sports & games provision Improved health knowledge & fitness with an aim to participate in varied sports competitions	Suggested sports and games for future after-school provision initiated by the school council and sports ambassadors were: <ul style="list-style-type: none"> • Dodgeball, • Table-tennis • Basketball • Martial arts (boxing) • Gymnastics These have been started as after-school clubs with four out of the five being oversubscribed and martial arts containing 80% girls The lunch-time gymnastics club a regular group of mixed SEND and non-SEND children who

		To encourage girls to participate in sporting activities (gender bias) To target SEND children to engage in sporting activities	Girls participation in sports activities increased SEND children improved fitness and engagement KI 1, 2, 3, 4	eagerly await the arrival of the gymnastics teachers. Their confidence has been evident during gymnastic displays attended by parents.
Holiday Provision	£1,064	To provide sporting activities that encourage vulnerable children to take up places in half-term and summer camps	A high number of vulnerable children attending extra-curricular activities including holiday camps in Easter and Summer KI 2, 4, 5	Our free holiday activities during the Easter and Summer holidays were attended by over 200 children across all year groups with a high percentage of vulnerable and PPG children (about 58%). The success of the summer camp meant that more children attended Easter camp than last year.
Develop the role of Sports Ambassadors	£ Existing resources	To give children agency in choosing sporting activities in order to foster a love of sports and physical games.	Children are highly engaged and enthusiastic about all sporting activities Children feel confident to make suggestions that increase their health and fitness Progression in fitness and skills is evident through active participation in all sports KI 1,2, 3, 4, 5	Sports ambassadors met to discuss their role and make suggestions about which activities they would like to see in school. They conducted a survey within their classes and made decisions as a group about what was needed to carry their ideas forward with support from PE coaches and teachers. They have seen their ideas put into action through the development of after-school clubs. They've taken responsibility for maintaining equipment used such as taking out table-tennis bats and balls during playtimes and while out in the playground make sure that equipment is treated with care. They made the suggestion for how to celebrate the Euros 2024 and created a timetable, along with football coaches, for the tournament.
Total estimated expenditure		£34,971		
Overall Total Grant expenditure		£17,750		

Year 6 Swimming Ability

Year 6 pupils take part in swimming lessons at Kings Hall Swimming Pool, Hackney for the Summer term. (intensive lessons over two weeks)

The information below is based on the outcomes of the **2023-2024 cohorts' results:**

- 68% of the children were able to swim at least 25 metres by the end of the term
- 54% of children were able to use two or more strokes including swimming on their backs
- 43% children were able to perform basic safe-self-rescue in different water-based situations.
